Drawings

The following changes to the drawings have been approved by the examiner and agreed upon by applicant: The upper support bar that extends across the bed frame must be illustrated. In order to avoid abandonment of the application, applicant must make these above agreed upon drawing changes.

Allowable Subject Matter

Claims 6, 8-9, and 16-19 are allowed.

The following is an examiner's statement of reasons for allowance:

The prior art of record does not teach nor does any combination thereof fairly suggest a patient lifting apparatus having a lower support bar that extends across the bed frame and has each of its ends fastened to a respective leg of the bed frame and an upper support bar that extends across the bed frame and has each of its ends fastened to a respective side of the headboard of the bed frame. The combination of elements as set forth in the claims is not shown by the prior art, and in particular the features as set forth above.
